ACKNOWLEDGED

SANTOSH FASTENERS

AT YOUR SERVICE, ADDING VALUE

We work hard to secure a seamless supply of our Fasteners Industries to you, and to give you support when and where you need it. Wherever you are in the world, we can work out the best supply model. If you want to optimise your Fasteners or need technical consulting, our services will help you on-site. Our global network is the foundation of our services and an unparalleled asset. You are welcome to take full advantage of it.

Protection
The Santosh fastners range is available with the right level of safety and protection in every application.

Strength
For outstanding strength and flexibility, Santosh fastners is made from 100% primary fi bres from Scandinavian forests.

Production
State-of-the-art technology lies behind the consistency and reliability of Santosh fastners. Our technicians continuously enhance the performance of our products.

COMPANY PROFILE

Santosh fasteners - is An ISO 9001:2015 Certified Company. We are fastest growing and leading manufacturer and exporter of all types of screws and customized fasteners. We have started operation in 2011.Production capacity of 1000 kgs per day. Our company is situated in the fasteners manufacturing hub Rajkot, Gujarat (India).

The product length and breath is expected to be further increased in near future, enabling our customers a One Stop Solution. Santosh fasteners believe in delivering not only the best but also offering a wide range to its clients.

SANTOSH FASTENERS produces all kinds of screws like CSK Self-tapping, Pan head self tapping, Wood screws, Phillips Head screws, Pan Phillips Combination with washer screws, Carriage bolts, Machine screws, Stainless steel self tapping screws that are widely available through distributors/dealers network across India. At its initial stage SANTOSH FASTENERS produced Stainless steel & mild steel screws. After years of hard work SANTOSH FASTENERS through its brand SF has now become the leading manufacture in Mild steel and stainless steel screws whose products are sold across India.
